OFFICE FEE POLICY

The doctors and staff of Cosmetic Surgery Associates of Westchester want your surgical experience to be as easy and comfortable as possible. Patients appreciate receiving this explanation of financial and insurance policies in advance.

Our charge for consultation is \$100, payable at the time of service. During the consultation, you can discuss goals for surgery, obtain recommendations and have your questions answered.

Cosmetic surgery fees are paid in advance. If you decide to have surgery, your initial consultation fee will be credited towards final charges. There is a nonrefundable scheduling fee (deposit) of \$1000 in order to reserve a time on our surgical schedule. All payments must be received three weeks prior to surgery.

In the event that you cancel your surgery for any reason other than a medical emergency, the following charges apply:

- Cancellation 14 or more days before surgery – full refund minus deposit
- Cancellation 7-13 days prior to surgery – Refund = 50% of total fees
- Cancellation 0-6 days prior to surgery – NO Refund

Some non-cosmetic plastic surgical procedures may be covered, either totally or partially, by insurance. The exact reimbursement may be unpredictable and therefore insurance reimbursement may not be accepted as reimbursement in full. A surgical deposit may be required at the time a commitment is made to proceed with non-cosmetic surgery, along with insurance forms that have assigned benefits to Cosmetic Surgery Associates of Westchester.

After surgery, our staff will complete any relevant insurance forms. This may take several weeks as we must collect reports to accompany the forms. In this way, we hope to maximize your reimbursement. Our staff is efficient and knowledgeable about insurance matters and you can rely on their expertise.

If you require our surgical skills and feel that a financial burden would be placed upon you, please discuss this with us before surgery to see if we can work out an equitable solution.

I have read, understood and agree to the above financial policy. I understand the charges not covered by my insurance company as well as applicable co-payments and deductibles are my responsibility. I authorize Cosmetic Surgery Associates of Westchester to release pertinent medical information to my insurance company when requested or to facilitate payment of a claim.

I authorize my insurance benefits to be paid directly to Cosmetic Surgery Associates of Westchester.

COMPUTER IMAGING DISCALIMER

Computer imaging may be used to better educate you about your upcoming surgery. Although an approximation of intended results is to be displayed, I realize that there are differences in artistic ability and surgical technique among physicians. I also realize that wound healing is different among different patients which may cause the surgical result to differ fro the imaged result. I recognize that the imaging result does not constitute and should not be construed to be an exact representation of postsurgical results. I understand that it is impossible to guarantee intended results. I understand that the alteration of these images is purely for the purpose of illustration, education and discussion.

I certify my understanding that there is no guarantee (expressed or implied) as to my final surgical result.
